Due to the current situation, caused by Coronavirus (COVID-19), we are cancelling a Follow-up Session of the UHC-DAY Convention at National level on 1st May 2020, where we would have released a Brief Report of the same with the edited materials of the process documentation by our production team.

We solicit your kind presence in this forthcoming event, sometime after the situation getting normalized in near future.

However, we are sure of your help and support to reach our CSO Partners directly, as the country is passing through a difficult phase of economic recession as well as health & nutrition challenges.
