A CIVIL SOCIETY CONSORTIUM FOR DEVELOPMENT

Maha Shivaratri Greetings

The very first issue of this year, published last month on Republic Day, 26th January 2020 has reached more than 5000 Email contacts worldwide, a record for an entity with less than 3 years of existence in India. We don't count its reach through different other Social Media Channels, managed by us or our Civil Society Partners / Patrons.

We feel proud of our 508 CSO Partners as Members of the consortium, working all over India and still counting.

Kindly continue your help & support in growing our network with a few more efficient and capable organizations, working in any of the 283 Backward Districts of India towards achieving the set-targets of 17 Sustainable Development Goals by 2030.

Look forward to working with you as ever,

~ Warm regards & Best wishes,

~ VIKASH-SAMUKHYA Team.
