VIKASH SAMUKHYA
A CIVIL SOCIETY CONSORTIUM FOR DEVELOPMENT

“Dola Yatra” Greetings & “Happy Holi”

This issue, published today on the auspicious occasion of “HOLI” festival in India brings cheers to all of us when we learn that one of our State Leads in Odisha has been featured in the IGWG Special Update for International Women’s Day, 8th March 2020. We congratulate JEETA for their dedication and commitment in two backward districts of Odisha. This issue is scheduled to reach more than 6000 Email contacts worldwide, a record for an entity with less than 3 years of existence in India. We don’t count its reach of another 3,000+ through different other Social Media Channels, managed by us as well as our Civil Society Partners & Patrons in India and abroad.

We feel proud of our 510 CSO Partners in different states of India as Members of the consortium, working towards achieving the set-targets of 17 Sustainable Development Goals by 2030.

Kindly continue your help & support in growing our network with a few more efficient and capable organizations working in any of the 283 Backward Districts of India towards the achievement of 17 SDGs by 2030.

Look forward to working with you as ever,

~ Warm regards & Best wishes,

~ VIKASH-SAMUKHYA Team.

Celebrating WOMEN-LED, GENDER EQUALITY-FOCUSED ORGANIZATIONS ON International Women's Day

Interagency Gender Working Group
igwg.org

To celebrate International Women's Day, we reached out to the IGWG community of gender champions for nominations of women-led organizations helping to promote gender equality and empower women. This Special Update highlights organizations that best represent the type of gender equality efforts the IGWG seeks to promote.

JEETA

Joint Endeavour for Emancipation Training & Action for women (JEETA) focuses on women's empowerment and leadership development at the grassroots level in India. The organization forms self-help groups for women to build their capacity to raise community voices on issues of poverty and gender; and generate demand for the fulfillment of their rights. JEETA works closely with local bodies like gram panchayats to increase women's participation in creating awareness among the village communities and other stakeholders about public services, schemes, and entitlements meant for women and girls at the local level.

[VISIT JEETA WEBSITE](#)

Thank you to all IGWG members and friends for nominating such exemplary women-led organizations working on gender equality and women's empowerment around the world!
