***** Thanks to all our Partners & Patrons *****

Since the severe COVID-19 outbreak in April 2020, many of our consortium members have been busy doing their best to help the cause by supporting the marginal and outreach communities living in remote areas of different backward districts in India. The support came from all quarters from our patrons, well-wishers and donors of different countries. We are very thankful to all concerned and obliged.

We feel proud of our 535 CSO Partners working in India to achieve the 169 set-targets of 17 Sustainable Development Goals (SDGs) by 2030. Hence, the current issue of **PARTNERS PAGE** is being published as a tribute to all our 535 CSO Partners all over India, working on COVID-19 across 25 states and 2 union territories since April 2020. It's a long one and half year period of hardship and turbulence all along !!!

Under Public-Private People's Partnership Programs, we are treading cautiously to start an innovative initiative on our much ambitious Multicentric Project in India on "COVID-19: Survivors & Warriors" in the coming financial year.

The last 20 issues of **PARTNERS PAGE** were circulated worldwide and had reached more than a billion individuals of different national & international institutions, either directly by email or indirectly through social media viz: Facebook, Twitter, LinkedIn, etc. **Those 20 Special Numbers on 17 SDGs & COVID-19 are being placed in both of our websites at your kind perusal.**

Looking forward to work with you in near future,

~AIHMS-Global & VIKASH-SAMUKHYA Team
