MAHALAYA GREETINGS

You will be happy to note that the current issue is being published as a tribute to all our 525 CSO Partners all over India, working on COVID-19 & 17 SDGs across 25 states and 2 union territories since April 2020. The current issue of PARTNERS PAGE will be circulated worldwide and will reach to 10,000+ individuals of different institutions, either directly by email or indirectly through social media viz. Facebook, Twitter, LinkedIn, etc.

We feel proud of our 525 CSO Partners working in India to achieve the set-targets of 17 Sustainable Development Goals by 2030. Since the COVID-19 outbreak, most of them are busy doing their best to help the cause by supporting the marginal communities living in remote & outreach areas of different districts in states & union territories.

Under Public-Private Partnership Programs, we are treading cautiously to start an innovative initiative on our much ambitious Multicentric Project on "COVID-19 Survivors & Warriors" in coming days.

Look forward to working with you as ever,

~ Warm regards & Best wishes,

~ AIHMS-Global Team
